EVERY GRILLED CHEESE TRICK CONSISTS OF THREE PARTS, OR ACTS.

THE FIRST PART is called the pledge, the magician shows you something ordinary, cheese, butter, bread.

THE SECOND ACT is called the turn, the magician takes the ordinary something and makes it do something extraordinary. But you wouldn't clap yet, because making something delicious isn't enough. You have to taste it.

NOW you're looking for the secret. But you won't find it because of course, you've already eaten the whole sandwich.
